THIRD LARGEST LAB SYSTEM AMONG INDEPENDENTLY OWNED LABORATORIES IN THE UNITED STATES

Dear Doctor,

Not only does CSC have unlimited resources to service you, but our good faith approach, unlimited effort, sincere desire and willingness to assist you, flexibility, very competitive pricing, availability of all premium brand lens products, and our **highly trained, professional Customer Service staff**, set us apart.

CSC is no ordinary lab; we are a valuable resource and supply center to your practice like no other lab and/or frame company anywhere in the U.S.A. CSC would like to be considered by you Doctor, as your true Partner Lab. Unlike other ordinary labs, CSC is known throughout the nation as a fully equipped High Technology Laboratory. We have the biggest in-house AR coating facilities and provide all brand name products; Crizal, Crizal Alizé, Magnum Strada, Teflon, Zeiss Carat Advantage... And, CSC's in-house Freeform center currently produces Shamir's complete line of Autograph. Effective October 1st, 2009 we will also be producing Varilux 360 and Definity.

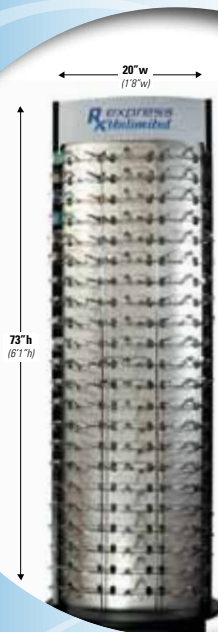

The **RX EXPRESS UNLIMITED™** program is designed to improve your complete Rx (frame & lens) lab turn-around-time and will also eliminate "frame-to-come" related problems. Working side by side with Federal Express, we are now able to provide practitioners in remote areas quicker service. We will supply you with a beautifully designed, upscale looking island display unit stocked with a premium line of 132 carefully selected frames. A one-time purchase buyout at a 50%(±) discount with extended payment terms is available at your option.

The **RX EXPRESS UNLIMITED™** program assures you:

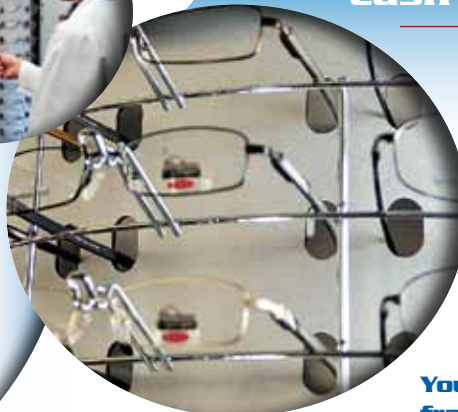

- The Finest Quality Frames & Lenses
- Fastest Lab Service (*special arrangement with FedEx*)
- Simplicity & Convenience
- Improved Cash Flow & Highest Profitability
- Most Importantly — Greater Patient Satisfaction

RX EXPRESS UNLIMITED™ is the most innovative, premier frame & lens program in the industry! *The New Way to Buy Eyewear!*
